However, this deadline does not take into consideration the time required to: (1) prepare the bill analysis; (2) obtain an updated fiscal note or impact statement; (3) prepare any other paperwork required for a committee report; or (4) prepare the committee report for distribution to the members of the House as required by the rules. Realistically, it normally takes a full day or more for a bill to reach the Calendars Committee after the bill has been reported from committee.]*
